CRAFTER'S AROMATIC FLOWER GIN

ROSEHIP & MEADOWSWEET - RECIPE NO. 38

ABV 44.3% / 70CL / 6 BOTS

\$XX.XX PER BOT

ESTONIAN ARTISANAL GIN

A unique combination of 12 carefully selected aromatic herbs, distilled in copper pot still for a rich, round and elegant taste. Rose hip flowers and meadowsweet are characteristic botanicals to the long and in large part untouched Estonian coastline.

HANDCRAFTED

Crafter's gin family is all handcrafted from the best spirit and botanicals, only the best for gin enthusiasts all over the world. High quality every step of the way. Each bottle is finished by hand.

AROMA

Refreshingly aromatic, flowery. Round and complex. The rose hip flowers and meadowsweet are at the core. The sweet nuance of the flower petals is balanced by the bitterness of orange peel, freshness of yuzu and juniper berries.

TASTE

Round and slightly bitter. A rich and elegant bouquet of sweet flowers and crisp juniper. The soft taste is balanced by the freshness of the citrus.

MODERN ALCHEMY & SUSTAINABILITY

Our Master Distiller experimented with the curious colour change of the rose hip petals. As a result the golden coloured gin turns to pink when mixed with tonic, this colour-changing effect is all natural. On top of that Crafter's gin production follows the extensive (re)cycle and sustainability principles of Liviko Distillery.

CRAFTER'S AROMATIC FLOWER GIN SIGNATURE COCKTAIL

- 40ml Crafter's Aromatic Flower Gin
- 200ml Fentimans Connoisseurs Tonic Water
- Slice of orange
- Ice

CRAFTER'S LONDON DRY GIN

VERONICA & FENNEL - RECIPE NO. 23

ABV 43.0% / 70CL / 6 BOTS

\$XX.XX PER BOT

ESTONIAN ARTISANAL GIN

Handpicked herbs, preparing botanical mix for distillation and recipe balancing - it is all handcraft. Each bottle is elaborated by hand.

RECIPE NO 23 AND UNIQUE BOUQUET OF NORDIC PLANTS

Recipe No. 23 is the result of thorough and passionate work. The backbone of the recipe is grain, handpicked Veronica is straight from pristine Estonian nature, together with fennel they add a flowery softness, juniper berries add crisp notes.

TRADITIONAL POT STILL METHOD

Pot still method of distilling herbs has been used by Crafter's Gin Masters and their predecessors since the beginning of the last century. Extensive experience guarantees the highest quality London Dry.

BATCH PRODUCTION AND SUSTAINABILITY

Each batch is produced separately and batch number is marked on each bottle. On top of that Crafter's gin production follows the extensive (re)cycle and sustainability principles of Liviko Distillery.

AROMA

Fresh, crisp, aromatic, complex. Hints of juniper shoots, lime, grapefruit zest, cumin, aniseed, fennel, mint.

TASTE

Dry, elegant, slightly spicy, fresh. Bitterness of pink grapefruit and the freshness of citrus and herbs.

CRAFTER'S LONDON DRY SIGNATURE COCKTAIL

40ml Crafter's London Dry Gin

200ml Fentimans Connoisseurs Tonic Water

CRAFTER'S WILD FOREST GIN

SPRUCE & PINE - RECIPE NO. 27

ABV 47.0% / 70CL / 6 BOTS

\$XX.XX PER BOT

NORDIC BY NATURE

Crafter's Wild Forest Gin is inspired by the evergreen untouched forests of Estonia. Forests near the shoreline shaken by autumnal winds, rocks gathering moss, tall ancient trees touching the sky and adventurous fishermen tarring their boats. In short this is where our gin is coming from. Bold, earthy flavours of the forest. Let's just say - wild. Adventure starts here.

THE TASTE OF GREEN - EVERGREEN RECIPE NO. 27

At the heart of our crisp botanical mix is a coniferous trio of juniper berries, spruce thorns and pine shoots. Late summer heather flowers and blueberry shoots gently blend in, adding a fruity floral character. On top of that a distinctive touch of smokiness and mineral hue. Nordic at its best, it actually tastes and smells like a fresh wild forest. Saving the greenest fact

to the last - Crafter's sustainably distilled juniper is at the core of our craftsmanship. Crafter's Wild Forest Gin is the most beautiful shade of green.

FROM CLASSICS TO SIGNATURE

Crafter's Wild Forest Gin is a social gin honouring the cocktail hour. In addition to the fact that our distilled botanicals inside the bottle are besties having a merry good time, they also marry really well with other ingredients. A dream for professional bartenders and cocktail enthusiasts all over the world. Whether it's a simple and freshtastic gin & tonic served with plenty of ice and a lemon peel or a "forested" Negroni or a frothy herbal gin sour. Not to mention a greenish Dry Martini, stirred with two olives. Crafter's Wild Forest Gin is crafted for making classics as well as unexpected creative cocktails.

CRAFTER'S WILD FOREST GIN SIGNATURE COCKTAIL

HÕBE VODKA

SILVER FILTERED VODKA

ABV 39.2% / 70CL / 6 BOTS

\$XX.XX PER BOT

BRILLIANCE AND TASTE

SERVING PACKAGING

HÕBE Vodka is a premium vodka in Viru Valge range that is made for celebrating special occasions. HÕBE filtration takes almost three times as long as the ordinary production method – but the end product is more than worth it. HÕBE is made in small batches and its post-production finishing touches are made by hand.

HÕBE means ‘silver’ in English and the vodka carries this name for a reason, because it passes through a multi-level cascade filtration system – first a charcoal filter, then 29 silver filter elements that give the drink its pure taste.

Finally the vodka enters a polishing filter, which gives it its unique brilliance. Because of this filtration method, HÕBE has an alcoholic volume of precisely 39.2% – the volume at which vodka filtered through silver acquires the best balance between clean aroma and crisp taste.

HÕBE is served at 5 °C and always together with special hors d’oeuvres.

SPARKLING WINES

CARMEL & JOSEPH

BLANQUETTE DE LIMOUX BRUT

ABV 12.0% / 75CL / 6 BOTS

\$XX.XX PER BOT

Golden and limpid with small, dynamic and regular bubbles and an elegant, developed nose of dried fruit and citrus and lovely floral aromas. Unequivocal and pure with excellent balance, its aromas of brioche and the agreeable final palate leave a delightful sensation of freshness in the mouth. It makes the perfect aperitif, and is hugely enjoyable with desserts.

TECHNICAL SHEET

Appellation

AOP Blanquette de Limoux

Varieties

90% Mauzac, 10% Chardonnay

Production

55 HL / Ha

Terroir

Clay-limestone. The vines are planted to the west of Limoux at 200-300 metres, where the average rainfall is 800 mm/year. The climate is humid and temperate, with westerly winds and periods of warm weather. The grapes ripen later here than in the Mediterranean and Autun areas.

Vinification

Traditional method. The grapes are hand-harvested and transported to the winery in small crates, where they are pressed and processed in temperature-controlled tanks at 15°C, following standard white wine-making methods. Wines from several tanks are carefully blended together and cultured yeasts are added the result, which is then bottled. The secondary fermentation starts and bubbles of carbonic gas form within the bottle. After leaving the wine to rest on its lees for 15 months, the final stage consists of turning the bottle upside down so that the sediment sinks down into the neck, ready to be disgorged after freezing. As this operation entails the loss of a small amount of liquid, the bottle is topped up with still wine and "liqueur d'expédition" (a mixture of wine and sugar) before being sealed with a cork.

Ageing

15 months in bottle

WHITE

CALMEL & JOSEPH

VILLA BLANCHE Chardonnay

ABV 13.5% / 70CL / 6 BOTS

\$XX.XX PER BOT

A pale, gleaming wine with golden reflections. The nose is well balanced, with powerful aromas of acacia flowers, vine peach and aniseed so characteristic of our Villa Blanche Chardonnay, followed up by elegant notes of vanilla, coconut milk and gingerbread. Blending proved complicated this year, and required great precision to obtain the particular profile that has made this wine such a success. But the result is a pure, incisive, mouth-filling wine with a sumptuous finish of great persistence. This vintage has given us notes of broom flowers, mint, and juniper, but also exotic fruit such as mango and grapefruit, with rich buttery notes, grilled almonds, and honey on the finish. Superbly balanced, perhaps less opulent than last year, but with enormous character and elegance.

TECHNICAL SHEET

Appellation

IGP Pays d'Oc

Vintage

2022

Varieties

100% Chardonnay

Terroir

Volcanic, and limestone clay. The climate, warm and sunny with sporadic rainfall, is typically Mediterranean. Winters are mild and summers are hot with long dry periods that allow the grapes to attain perfect maturity.

Vinification

The grapes are picked at night, in two harvests. The first is early to ensure freshness, and the second 15 days later to obtain superb concentration and varietal aromas. The grapes are totally de-stemmed then macerated for 4 hours at 5°C. Fermentation takes place at 15°C. There is no malolactic fermentation.

Ageing

- Stainless steel vats : 70 %
- Barrels : 30 %
- For 3 months

RED

CALMEL & JOSEPH

LANGUEDOC ROUGE

ABV 14.0% / 75CL / 6 BOTS

\$XX.XX PER BOT

Gleaming ruby red. The first nose offers red fruit... cherry, redcurrant, followed by spices and floral aromas. The wine is as delicious as ever in this vintage, with super smooth, supple tannins and good tension. Notes of red fruit predominate, but share the stage with spices such as pepper and thyme, with always the unfailing presence of the garrigue. A harmonious blend, as always, for this impeccable wine of profoundly Mediterranean style.

TECHNICAL SHEET

Appellation

AOP Languedoc

Vintage

2018

Varieties

Syrah 30% Grenache 30% - Carignan 20% - Cinsaut 20%

Production

50 HL/Ha

Terroir

In view of the great variety of terroirs in the Languedoc Roussillon, we seek out the best expressions of our indigenous grape varieties where they exist naturally. Our Grenache comes from the splendid granitic and schist soils in the north west of the Roussillon. The Syrah grapes express themselves best on the slopes of the Black Mountains, and finally, our superbly fresh Carignan grow on a terroir of red clay.

Winemaking

Hand-picked. De-stemmed, not crushed. Fermented at 28°C for three weeks Light intervention on the cap daily results in discreet, elegant extractions Malolactic fermentation takes place on wine that has been racked twice to bring out pure, fruity aromas.

RED

CALMEL & JOSEPH

VILLA BLANCHE PINOT NOIR

ABV 13.0% / 75CL / 6 BOTS

\$XX.XX PER BOT

Bright, luminous cherry red. This vintage offers us some stunning fruity aromas: cherry, grenadine, redcurrant, and cooked strawberry, but also notes of leather and spice. The subtle tannins of Pinot Noir express themselves harmoniously, giving way to a magnificently taut finish. Citrus and red fruit intermingle with lightly peppery notes. This is a wine that asserts its origins whilst respecting the most majestic qualities that this northern grape has to offer.

FICHE TECHNIQUE

Appellation

IGP Pays d'Oc

Millésime

2018

Cépages

100% Pinot Noir

Degré

13.% alc./vol

Terroir

Clay-limestone with 20 % ferrous red, white and grey clay. Situated in the most continental part of the Languedoc Roussillon, the soil is lightly sandy, so it has well aerated and drains well. The vineyard is at 250 metres altitude and there is a significant difference between daytime and nighttime temperatures, which is ideal for Pinot Noir.

Vinification

The grapes are de-stemmed and sorted. Fermentation takes place at around 22°C. Punch down twice daily during alcoholic fermentation. Three weeks in tank. Malolactic fermentation happens after settling in concrete tank.

Élevage

Five months in concrete tank before bottling. Light filtration.

RED

CALMEL & JOSEPH

FAUGÈRES

ABV 14.0% / 75CL / 6 BOTS

\$XX.XX PER BOT

Bright cherry red. The nose is noticeably riper in this 2020 vintage, with the habitual touch of graphite, garrigue, fresh mint and slightly meaty notes. The palate opens cleanly and incisively, with always the same fine-grained tannins and the characteristic richness that walks the tightrope between tension and power. Mint is present, but also thyme, aniseed, liquorice, fennel and smoky notes. This vintage has a strong personality, with a certain rustic, untamed quality but also a surprisingly elegant harmony.

FICHE TECHNIQUE

Appellation

Faugères

Millésime

2020

Cépages

Syrah 50%, Grenache 30%, Carignan 20%

Rendement

30 HL / Ha

Degré

14 % alc./vol

Terroir

Schistes

Vinification

Traditionally vinified. Grapes are destemmed and sorted. The Carignan is vinified without crushing or pressing the grapes; for the Syrah, 50% of the grapes are crushed and then they are vinified without pumping over (the cap is occasionally moistened); the Grenache is vinified at 30 °C for one month. Malolactic fermentation occurs with the marc.

Élevage

12 months in tank

ANTICHELLO

AMARONE DELLA VALPOLICELLA CLASSICO

ABV 15.0% / 70CL / 6 BOTS

\$XX.XX PER BOT

PRODUCTION AREA

Classic Valpolicella area, from vineyards in the hills of Fumane (Verona)

GRAPE VARIETIES

Corvina and Carvinone (70%), Handinetta (25%), Molinara (5%, with drying of grapes for a period of about 3 months.

YIELD

Each 100 kg of grapes 40 litres of first pressing

CONTENTS

Total acidity 5-55/1 Net dry extract 29 to 32 g/l

WINE MAKING

Soft pressing and destemming of the dried grapes Long fermentation at seasonal temperature. About 24 months in Slavonian oak barrels by 20-30-50 ht

REFINEMENT

About 6 months in bottle

SENSORY IMPRESSION

Ruby red tending to garnet. Characteristic aroma, with hints of ripe red fruit and dried figs, and spicy and balsamic notes In the mouth it is delicate and balanced with soft tannins, fresh, savory, fruity and persistent.

INFORMATION

20 C in ballon glass

DINING ACCOMPANIMENT

Barbeque, rasts, game and seasoned cheeses

LONGEVITY

If correctly stored, it evolves for a long period of time 1 to 10 years

SHINOBU JAPANESE SINGLE MALT

NEWBORN

ABV 43% / 70CL / 6 BOTS

\$XX.00 PER BOT

PRODUCT DESCRIPTION

"Shinobu Single Malt Newborn Whisky" was born from the master distiller Ken Usami's artisanal beer-making skills and passion accumulated over 30 years. The whisky is made by manipulating Niigata's natural resources, known as the "three white treasures", consisting of snow, rice, and sake. It is also using the rare Japanese oak (mizunara) and malt. Aged for over a year in mizunara and first-fill bourbon barrels and blended by hand. It creates a unique purity and aroma, with a clear and robust body.—

TECHNICAL INFORMATION

- Cask Type: Mizunara oak and first-fill bourbon barrels
- Age: Over one year
- Characteristics: Unique purity, clear and full-bodied, mizunara oak and malt features

TASTING NOTE

- Nose | Fresh aromas of green apples, citrus, honey, and a delicate floral touch.
- Palate | Clear and full-bodied with a unique purity, gentle maltiness, and a light oak influence.
- Finish | Subtle mizunara oak, bourbon cask nuances, and a whisper of vanilla.

DAIMYO-NO

SHINOBU BLENDED WHISKY

ABV 40% / 70CL / 6 BOTS

\$XX.00 PER BOT

PRODUCT DESCRIPTION

"Daimyo-no Shinobu" by master blender Ken Usami was created as a symbol of the samurai spirit, which aims for perfection with patience. Daimyo refers to powerful samurai who ruled over Japan from the 12th to 19th century. Carefully selected grain and malt whiskies are aged in several types of oak barrels and blended without compromise, resulting in a perfectly balanced and harmonious flavor with a rich aroma.

TECHNICAL INFORMATION

- Cask Type: Various oak barrels
- Age: Blend of grain and malt whiskies with different ages
- Characteristics: Perfectly balanced and harmonious flavor, rich aroma

TASTING NOTE

- Nose | Toasted grains, ripe orchard fruits, vanilla, and subtle nutty undertones.
- Palate | Perfectly balanced sweetness, oakiness, hints of caramel, and a touch of spice.
- Finish | Long-lasting, lingering warmth with a gentle hint of dried fruit.

AWARDS

- Gold Medal (International Spirits Challenge, 2023)
